young children learn to read, and won the Blunt prize for my work. I believe this shows that I have the skills and focus you need.

I also regularly play online games, and have attended a large number of conferences in the industry, so I am up-to-date with all the latest changes and developments.

I am attaching my CV with this email. I would be happy to discuss any further questions you might have at a time that suits you, and would be happy to attend an interview online or in person. Thank you for taking the time to consider my application.
