Man survives
60 days stuck in
snow

① It seems that a person was trapped in a car under the snow. It seems that the snow covered the car with a huge layer of ice.

Yesterday, Hospital, alive, Experts, hibernation, -30°C

Peter skylberg, diuing, Sweden, snowstorm, found, Friday, worker.

yesterday, he was recovering in a hospital after being pulled out barely alive. Experts think he went into a from of hibernation after temperatures plunged to as low as -30°C

Peter Skyilberg had been driving on a remote forest road in northen Sweden and had become stuck during a snowstrom. He was finally found last friday by a passing worker on a snowmobile.

The rescuer said: "I was cleaming the road when I noticed the car. I stoped to scrape some snow from the windshield and saw movement inside. The man was in a very poor state. He could hardly speak, but I understood that he had eaten nothing but snow.
